
**POLICY FOR THE SUPERVISION OF CONDITIONALLY APPOINTED AND
EMERGENCY CONDITIONALLY APPOINTED PERSONNEL**

Consistent with applicable State law and regulations, the Board of Education of the Sharon Springs Central School district wishes to ensure the safety of students who have contact with employees holding conditional appointments or emergency appointments.

In accordance with this goal, the Board of Education hereby directs the Superintendent of Schools to develop procedures on a building or program basis, as appropriate, which address the safety of students in the classroom, students attending District-sponsored activities off school grounds, students participating in extra-curricular activities and in any other setting involving a conditionally appointed or emergency conditionally appointed employee.

The policy and the procedures developed by the Superintendent shall terminate, and shall be rescinded, as of July 1, 2010, unless and until the provision of conditional and emergency conditional appointments are extended beyond that date.
