Transportation to Athletic Events

- A. The Athletic Director and Transportation Director will arrange all transportation. All athletes are expected to ride to and from away games with their team. A coach will accompany the team on all trips. The coach will have a complete travel list. A parent who wishes to transport his/her student-athlete home from the game must sign out said athlete with the coach.

In the event a parent wishes his/her student-athlete to be transported home from the contest by someone other than himself/herself, the following conditions must be met:

- At the beginning of each season, the names of both parents and two other approved adults (immediate relatives, neighbors, parents of teammates, "emergency contacts") must be submitted to the coach, Athletic Director, and Principal to be kept on record
- When a parent wishes his/her student-athlete to travel with one of these approved adults, the parent must provide a note to the Athletic Director or Principal for verification and approval, NO LESS THAN 24 HOURS prior to the contest. The information will then be communicated to the coach.
- The approved adult must sign out the student athlete at the game with the coach.

Parents are expected to pick up their children after practices, scrimmages, or games in a timely manner.
