Parent(s) or Guardian(s):

As a parent or guardian of this student, I am aware that a copy of the student handbook is available on the district website. I have also read and agree to the addendums, specifically the policies regarding iPad usage, internet usage, publications, remote learning polices and policies specific to in-person instruction amidst the COVID-19 pandemic. I understand that individual access to the school issued iPad and thereby the internet is intended for educational purposes and that Sharon Springs CS District has taken available precautions to eliminate controversial material. However, I also recognize it is impossible for Sharon Springs CSD to restrict access to all controversial materials and I will not hold the Sharon Springs Central School responsible for materials acquired on the network. Students should not have any expectations of privacy as their school issued devices and internet usage will be monitored and tracked. I understand that any "sharing" of individual passwords is a violation of this agreement. Further, I accept full responsibility if my child's use of the internet and his/her school-issued iPad is not appropriate in the school setting.
