Student Focus

Friday, March 17th, 2023 there will be no school for students due to the Superintendent Conference Day.

We hope our students will leverage this time to not only practice the other-people-matter mindset below, but also get up-to-date with all assignments or get ahead..

Principal's Message

Dear Families,

This week our school community focused on the other-people-mindset of Identifying and Appreciating the Good in Others. It's important to deliberately work to identify and appreciate others' character strengths.

Identifying and appreciating the good in others is a core tenet of the Other People Mindset. This isn't always what comes naturally. Often, it's easier to blame others for our problems or find flaws in others to use as excuses for our own jealousy, bitterness, or resentment. The problem is that this negativity usually leads to problems -- for ourselves, for the other person, and for our relationships.

Identifying and appreciating the good in other people helps you see the world through a more positive -- and less threatening -- lens. If you're constantly seeing the negative traits of people, you're going to think the world is comprised of bad people -- and you're going to operate from a defensive posture. This isn't to say that we should be naive or see the world, and its people, through "rose-colored glasses." It's just that we should strive to understand people's intent. If you see the good in another, they are likely to see the good in you.

To practice and encourage the character strength of perspective with your child, please let your child know what you appreciate about him/her.

Have a wonderful weekend!

Volunteers Needed for Futsal Tournament

Varsity boys and girls play on Saturday, March 25th and modified boys and girls play on Sunday, March 26th. The Booster and Soccer clubs would appreciate it if each family could commit to volunteering at least 2 hours during the weekend or donate items for the concession stand, but anytime you can give will be appreciated. Please call or text Kristy Reynolds at (518) 320-0336 if you can volunteer or donate

Volunteer Positions include: Set up and clean up; Admission/registration table (ideally 2 people at all times); Concession stand (ideally 3 people at all times); Timekeeper (1 person at all times) and Referees/Officials (2 at all times).

The Sharon Springs Soccer Club and Booster Club host the Futsal Tournament. Both clubs are organized and run by parent/community volunteers to support extracurricular sports, clubs and activities for our students.

The Soccer Club has been able to help with the cost of all soccer traveling teams.

The Booster Club has been able to support all sports and clubs including FBLA and the Drama Club. Some examples how Booster Club supports our students is by giving financial assistance to help offset costs for: the basketball travel summer league at Clark's gym, summer and spring soccer travel leagues in Herkimer and Utica, FBLA National competitions, Bidy Ball t-shirts and Sharon Springs Clay Target team. Booster Club also sponsors and hosts the Sports Award Banquet and provides the medallions and pins for this event as well as the Music awards at the end of year that recognizes student achievement.

Thank you for your continued support. Without our SSCS community, these opportunities would not be available to our youth.
