Principal's Message

As the end-of-the-second quarter approaches, please use your resources (including clear lines of communication with your teachers) to ensure you can do your best on end-of-the-semester exams and projects. Use Schoology to make sure you are up-to-date on all assignments.

With the basketball season upon us, as you support our student-athletes, please keep in mind that the purpose of athletics is to promote the physical, mental, social and emotional well-being of individual players and their fans. Everyone who is in attendance is expected to display proper ideals of sportsmanship, ethical conduct, and fair play. Be loud, be proud and **be positive!**

Student Focus

Dear Families,

This week our school community focused on the character strength of *prudence*. We started the week discussing that prudence means you plan for the future and achieve your goals by making careful everyday choices.

Prudence is the ability to do the right thing for the right reason, at the right time. It's a future-oriented way of thinking that helps a person set goals, make plans, and have the discipline to accomplish them. It is cognitive -- more a strength of the head than of the heart.

Prudence supports effective individual self-management. Whether aspiring for an athletic record, academic grade, or purchasing a car, foresight and planning are necessary. However, even with a plan, long-term goals can only be obtained by overcoming those impulses and desires that steer you away from your goals. Prudence provides the wisdom to know which character strength to leverage, at which time, to achieve your desired end state.

To practice and encourage the character strength of prudence with your child, please share stories where you have used prudence to achieve your goals.

Have a wonderful weekend!

TOOLS for SCHOOLS

Help our school earn classroom equipment by shopping at Price Chopper for all your holiday essentials!

Simply enroll your AdvantEdge Card, shop and our school will earn credit towards classroom equipment, all donated by Price Chopper!

Enroll at <https://rewards.pricechopper.com/>

Our school code is: 16850.

Share this with family, friends and neighbors to sign up, too. The more supporters we have, the more opportunities our school has to earn points when they shop! Thank you.
