Principal's Message

This week our students finished the second quarter. As we transition to the second half of the school year, I want to remind everyone that this is a great time to reevaluate start-of-the-year goals as well as adjust steps you are making in meeting these goals. If you have not set goals, now is a great time to do just that.

Student Focus

This week at SSCS we focused on the character strength of social intelligence. Social intelligence means individuals are aware of other people's thoughts and feelings. You try to understand why they do things.

Social intelligence refers to a person's ability to understand and manage interpersonal relationships. It is distinct from a person's IQ or "book smarts." It includes an individual's ability to understand, and act on, the feelings, thoughts, and behaviors of other people. This type of intelligence can take place "in the moment" of face-to-face conversations but also appears during times of deliberate thinking. It involves emotional intelligence and self-awareness.

Social intelligence helps individuals build relationships -- and is important to numerous aspects of a person's life. It allows an individual to form friendships and alliances. And it assists a person against being taken advantage of. People with social intelligence can "read" other people's faces and know what motivates them. Social intelligence builds over time and as a person ages. In this sense, it is similar to the character strength of perspective.

Please practice and develop this character strength by discussing with peers, parents and teachers the concept of what it means to be socially aware and socially engaged.

Have a wonderful start to the third quarter!

FFA attends “Ignite” Conference

On a cold Saturday morning on January 20th, the FFA officers headed to Marathon, NY to a new FFA Leadership Series called *Ignite*. This conference had more than 400 students in attendance!

8th grade students, Madison Lynk, Payton Rullman, and Sophia Insogna attended the Spark conference geared to younger members and Hunter Bolster attended the Fuel Conference, while Mrs. Allen attended two workshops and an FFA advisor meeting.

The student conference Spark was designed to engage younger members in learning about the many opportunities there are in the FFA, evaluating their own personal skills and interests and setting goals for the future! Fuel was designed for 9th and 10th graders to focus on leading themselves, fueling their growth and success and building networks!

Not only did our Sharon Springs members meet new friends, but came home with great ideas for our chapter activities this year!

Candygram Sales - Sponsored by the Class of 2027

WHAT ARE CANDYGRAMS?

Candygrams are notes written to friends with either a small bag of candy for 50 cents each, OR a carnation and a note for \$2 each.

HOW DO I PURCHASE CANDYGRAMS?

1) Candygrams may be purchased during 5th and 6th period lunches from the freshman outside the lunchroom from 1/29 through 2/9.

2) Candygrams may also be purchased from freshman during homeroom 10th period (2:33-2:55) in Mrs. Lyon and Mr. Strk's homeroom (room 309).

Other Important information!

- Candygram cards should be filled out and put into the RED mailbox outside of the main office BY noon on Monday, February 12th
- Candygrams will be delivered on Wednesday, February 14th before or during homeroom.
- The cost for each Candygram is 50 cents for candy and a card or \$2 for a carnation and a card. Please pay in cash or by check made payable to SSCS Class of 2027!
- Please email Mrs. Lyon at clyon@sharonsprings.org or Mr. Strk at dstrk@sharonsprings.org for more information.

Thank you for your support!
