

SPECIAL MEETINGS OF THE BOARD OF EDUCATION

Special meetings of the Board shall be held on call by any member of the Board, or as agreed upon at previous regular or special meetings. A reasonable and good faith effort shall be made by the Superintendent or the Board President, as the case may be, to give every member of the Board twenty-four hours notice of the time, place and purpose of the meeting. Usually a special meeting is held to consider a single item of business. However, action on other matters may occur during its course.

In an emergency, the twenty-four hour notice may be waived by unanimous consent of all Board members. When this occurs, it is advisable for the members to sign waiver-of-notice forms.

Public notice of the time and place shall be given, to the extent practicable, to the news media and shall be conspicuously posted in one or more designated public locations at a reasonable time prior to the meeting. If there is at least one week before the special meeting, notice of the time and place of the meeting must be given to the public and news media not less than 7 hours before the meeting.

The notice of a special meeting does not have to include notice of the business that will be transacted.
