

FILLING OF VACANCIES

The Board of Education may appoint a qualified voter of the District to fill a vacancy on the Board and the person so appointed shall hold office only until the next annual election. Where a vacancy occurs during the last year of a term, an appointee serves only until the annual meeting. The person elected to fill the full-term vacancy beginning July 1 takes office immediately in order to fill the remainder of the preceding term. The district superintendent has the power to appoint a replacement if there has been no election to fill the vacancy within 30 days.
