Principal's Message

Welcome back from spring break! I hope everyone had a restful and enjoyable week and is ready to finish the school year strong. As we return, we enter the final quarter - an important time to focus, stay motivated, and make the most of every learning opportunity.

For our students in grades 3 through 8, we are in the midst of state testing. These assessments are a chance for you to demonstrate what you've learned and how hard you've worked all year. I encourage each of you to do your best, take your time, and show what you know and can do. Remember, your effort and perseverance are more important than your scores.

With the warmer weather upon us, please also remember our expectations for appropriate school attire. Clothing should be comfortable for the season but also promote a respectful and serious learning environment. Please avoid clothing that is too brief or revealing. Let's help each other maintain a positive and focused atmosphere for learning.

Let's finish the year on a high note by supporting one another, working hard, and making great choices—both in the classroom and throughout our school community.

Let's make this quarter our best yet!

KINDERGARTEN REGISTRATION

This year's registration and screenings will be held on **Tuesday May 27th and Wednesday May 28th 2025** in the Sharon Springs Central School Auditorium.

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year. An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September. Any child who has his/her 6th birthday on July 1st or after must be enrolled in school.

Even if you are undecided at this time about enrolling your child, if you have a child who will be 5 years old on or before December 1st, 2025, please contact:
