Principal's Message

As we head into the *fourth week of the final quarter*, I want to take a moment to recognize the hard work and focus we've seen across our school community. With just a few weeks remaining in the school year, now is the time to finish strong. To our students—keep showing up, stay engaged, and take responsibility for your progress. If you're preparing for Regents exams, please connect with your teachers early about review opportunities and extra help. They are here to support you every step of the way.

Parents and guardians, please be aware that in the coming weeks, the district will be conducting a variety of safety drills as part of our annual preparedness measures. These drills are important for ensuring our students and staff know what to do in any situation. We appreciate your partnership and understanding as we work to keep everyone safe.

Let's continue to look out for one another, make good choices, and support each other in doing what's right—every day, in every space.

Together, let's make these final weeks count!

KINDERGARTEN REGISTRATION

This year's registration and screenings will be held on **Tuesday May 27th and Wednesday May 28th 2025** in the Sharon Springs Central School Auditorium.

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year. An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September. Any child who has his/her 6th birthday on July 1st or after must be enrolled in school.

Even if you are undecided at this time about enrolling your child, if you have a child who will be 5 years old on or before December 1st, 2025, please contact:
