Principal's Message

This Friday marks the midpoint of the second quarter, an important time for students and families to check in on academic progress. We encourage all parents and students in grades 6–12 to review current grades posted on Schoology. If you need help accessing your child's account, please contact tyorke@sharonsprings.org for support.

As always, if you have any questions or concerns about your child's progress, please reach out directly to their teacher(s). We are here to partner with you and ensure every student finishes the quarter strong.

As we head into our final week before the holiday recess, I want to take a moment to express my sincere gratitude to our entire SSCS community. This time of year always brings a special kind of energy to our halls (joyful, busy, a little bit sparkly) and it's a reminder of how fortunate we are to learn and work alongside one another.

To our students: thank you for your hard work, your kindness, and the spirit you bring to school each day. To our families: thank you for your partnership, support, and trust. And to our faculty and staff: your dedication continues to make SSCS a place where students feel known, supported, and challenged, every single day.

Let's finish the final week prior to break strong, enjoy the celebrations and traditions that make this season meaningful, and look forward to a well-deserved holiday recess just around the corner. I'm grateful for all of you, and excited for the great things still ahead this year.

Lost & Found Table

The Lost & Found table has been set up by the elementary wing. There are many unclaimed hoodies and jackets. Please remind your children to look on the table for anything that may belong to them. The table will be set up through Friday, December 19th. After that date, any unclaimed items will be donated to charity.

Food Pantry/Animal Shelter Drive/Competition!

Student Council and NHS are teaming up to sponsor a Food Pantry and Animal Shelter Drive during December. From December 1st through December 15th each homeroom, K thru 12 will have a box in each classroom. The elementary class with the most items will get a hot cocoa and cookie party *on the day of the winning classroom teacher's choosing the week before Christmas*. The secondary class with the most items will receive the same prize on the Activity Day before Christmas break.

If there is a year that you would like to add to your collection, please email or Kinvo Mrs. Field and/or Mrs. Korona. We are selling these on a donation basis. If you are willing to donate \$5 or more, we'd be happy to give you a yearbook from a previous year!

Bow Maker Pond Winter Skating

The Sharon Youth Commission will be in charge of the Ice Hockey/Skating Area on Bowmakers Pond this winter! As of now it appears we might have a great season for Skating! We will be checking the pond this weekend to assess the thickness of the ice! Updates on the status will be provided on the Sharon Youth Commission Facebook Page. If you have skates or equipment you would like to donate or share let me know (once we open we will also have a bin/plastic shed for you to leave them in as well). Also if you are willing to help keep the area clean after snow storms, please let me know! If you have any questions/concerns please contact me at 518-852-4979.
