Principal's Message

As we move deeper into winter, this is a friendly reminder that any weather-related school closings or delays will be posted on the district Facebook page and website as soon as a decision is made. However, please note that automated texts and emails will not be released earlier than 6:00 a.m. on those days.

Next Friday marks the midway point of the second quarter, which is a great time to check in on your child's progress. We encourage you to communicate regularly with teachers and to monitor assignments and grades through Schoology. Partnering together helps ensure that every student stays on track and has the support they need to succeed.
