Principal's Message

As we head into the final week of March and first week of April, it's a great time to reflect on the progress we've made and to finish the third quarter of school strong. I encourage all of our students to give their very best effort each day; whether in the classroom, on the field, or in their interactions with others. Just as important, let's continue to lead with empathy and kindness. Small acts of respect and encouragement can make a big difference in someone's day and help strengthen our school community.

This time of year often brings new opportunities: academically, socially, and personally. I encourage our students to step forward with confidence, try something new, and make the most of each opportunity as it presents itself.

As a reminder, Spring Break will begin on Friday, April 3rd. We hope this upcoming break provides everyone with a chance to rest, recharge, and enjoy the signs of spring all around us; longer days, warmer weather, and a fresh sense of renewal.

Wishing all of our students, staff, and families a wonderful and refreshing Spring Break!

BOARD SEAT AVAILABLE

Petitions for school board member are available in the District Office between the hours of 8:00 a.m. and 3:00 p.m., Monday through Friday. There is one five-year term seat currently held by Christine Cornwell due to expire on 06/30/26. Petitions require a minimum of twenty-five signatures of voters in the school district and must be returned to the District

Clerk no later than 3:00 p.m. on Monday, April 19th, 2026. All approved petitions will be submitted for voting at the Annual Budget Vote to be held on Tuesday, May 19, 2026 in the Auditorium Atrium of the school. For further information, please contact Anthony DiPace, District Clerk at 284-2266.

**Do you have a child who will be 5 years old
on or before December 1st, 2026?**

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year.

An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September.

Any child who has his/her 6th birthday on July 1st or after must be registered with the school district.

**Even if you are undecided at this time about enrolling your child, please contact:
Ashley Puding at (518) 284-2266 EXT 114
