Principal’s Message

As we settle into the fourth quarter, we wanted to circle back with a few friendly reminders as we continue this busy (and exciting!) time of year.

By now, report cards should be home and, hopefully, have sparked a few good conversations at the dinner table or on the ride home. If you haven’t had a chance yet, we encourage you to take a few minutes to review grades and comments with your child(ren). And as always, if something raises a question or you’d simply like more insight, please reach out to your child(ren)’s teacher(s). Our staff is always happy to connect, provide context, and partner with you to support your child’s growth.

We are also in the midst of NYS testing season. While these assessments are just one piece of the puzzle, they do give us helpful information about how our students, and our school, are doing. More importantly, they provide a chance for students to practice something we value deeply at Sharon Springs: giving their best effort, even when something is challenging. That mindset goes a long way, far beyond any single test.

As we move through the “home stretch,” we know the warmer weather, longer days, and thoughts of summer can start to sneak in and compete for attention. (We feel it too!) That said, finishing strong matters. A few simple habits can make a big difference: getting a good night’s sleep, eating regular and healthy meals, and coming to school ready for the day. These small routines help set the stage for success.

Lastly, just a quick heads-up that we will continue conducting our required safety drills in accordance with our district safety plan. As always, these are done in a calm, supportive, and age-appropriate manner to ensure everyone knows what to do while keeping students at ease.

Thank you for your continued partnership, positivity, and support. Together, we’ll keep the momentum going and make this fourth quarter a strong and successful one!

SADD's Annual Spring Basket Sale

It's that time of year! SADD is selling beautiful Spring Flower Baskets to be delivered the Thursday before Mother's Day, May 7th. All orders need to be in by Wednesday, April 29th. Student Council Red Cross Blood Drive

Please consider donating blood to the Red Cross. Our next date is: Date: **Wednesday, April 29, 2026**

Time: 11:30-4:30

Location: SSCS Auditorium

Thank you! Student Council

Do you have a child who will be 5 years old on or before December 1st, 2026?

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year. An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September.

Kindergarten Screenings & Registration is scheduled for May 12, 2026

Any child who has his/her 6th birthday on July 1st or after must be registered with the school district.

Even if you are undecided at this time about enrolling your child, please contact:

Ashley Puding at (518) 284-2266 EXT 114

Limited School Playground Access

As the weather is getting warmer, a reminder to families and community members that public access to the school's playground is limited to after the school day and after our After School Program, which runs until 4:45pm. From now until May 21st, community members can access the playground Monday-Friday **after 4:45pm** and anytime during the weekend. After May 21st, on days that school is in session, public playground access is not allowed from 8:00am-3:00pm.

Past Yearbooks Available

We have MANY yearbooks from previous years that we are looking to get rid of from our inventory. If you would like to purchase any from any previous year, send an email to Mrs. Field and/or Mrs. Korona at jfield@sharonsprings.org and/or rkorona@sharonsprings.org and we will look through the inventory to see if there is one available from the year of your inquiry. The cost of these past yearbooks is a donation of your choosing. These donations will help keep the costs down for future years, and allow us to update our photography equipment when needed.
