Principal's Message

As we head into June and the final stretch of the school year, please continue to support your child(ren) in finishing the year strong. Consistent attendance, staying focused on assignments, preparing for final exams and Regents, and maintaining healthy routines all play an important role in helping students end the year successfully.

Please also note that on Thursday, June 4th, at the end of the school day, the District will be conducting a scheduled evacuation drill. As always, these drills are an important part of our commitment to maintaining a safe and prepared school environment for all students and staff. Please contact me at tyorke@sharonsprings.org if you have any questions.
