Principal's Message

K - 5

Goodbye September and welcome October. Thank you for supporting the athletes over the past weekend at Homecoming. It was great seeing all the K-5 students there. The weather is showing signs of fall. Students will be going outside as the weather permits. Please have your child wear the necessary clothing. If you are in need of items please reach out to Michelle Keaney (mkeaney@sharonsprings.org). If you have any questions or concerns regarding your child, please contact his/her classroom teacher. There will be more information coming about the plans for Halloween at the end of the month. Thank you for all of your continued support!

6 - 12

In the coming weeks, we will practice emergency drills to help everyone feel prepared and stay safe. Families can support these efforts by reminding students to listen carefully and follow staff directions.

Next Friday, October 9, marks the midpoint of the quarter and our staff development day (so no school for our students). Students and parents are encouraged to check Schoology regularly, review assignments and progress, and reach out to teachers when support is needed.

Above all, let's be as kind as we can. Include someone, offer encouragement, and remember that small acts of kindness help everyone feel they belong. Believe–Belong–Become!

After School Program Enrollment

Enrollment packets for the After School Program (ASP) were sent home a few weeks ago with students in Grades K-6. If you would like your child to attend ASP, please return the registration packet to school with your child no later than Thursday, October 8th to secure your spot. ASP begins on Tuesday, October 13th.

Limited School Playground Access

Community access to the school's playground is permitted after 3:00pm Monday-Friday while school is in session. There is no public playground access during the hours of 8:00am-3:00pm on school days.

Once the After School Program begins on October 13th, playground access to the public will not be available until after 5:00pm.

Thank you for your cooperation.

Emergency Contact Information

Students in grades K-6 were sent home this week with a Demographic Form and an Early Dismissal Form to be updated and returned to the homeroom teachers. If you have not returned these forms, please do so as soon as possible to make sure the district has the most recent information on file in case of an emergency.

Throughout the school year, if you need to make any changes to contact information for your child (phone number, address change, emergency contact updates et.), please notify Michelle Keaney in the Main Office by email at mkeaney@sharonsprings.org or by phone (518) 284-2267 x106.

Weekly Bulletin Submissions

SSCS will continue to produce this document each week as a service to the SSCS community. Similar to last year, classified ads, such as advertisements for the sale of items, help wanted ads, etc., will no longer be accepted. Advertisements will only be accepted if it relates to a potential educational benefit for our students or it has the potential to benefit the Sharon Springs community. SSCS reserves the right to edit any submission. For consideration, please email by 3:00 p.m. on Tuesdays to weeklybulletin@sharonsprings.org.
